Friends of Voyageurs National Park Fund

**The Friends of Voyageurs National Park Fund
provides an ongoing source of financial support to
Voyageurs National Park projects such as:**

- *Biological and historical research at Voyageurs National Park.*
- *Developing interpretive exhibits, signs and publications on cultural and natural history of Voyageurs National Park.*

Thanks to a \$25,000 gift, the Friends of Voyageurs National Park Fund (Fund) exists today. The Friends of Voyageurs National Park have chosen the National Park Foundation (NPF) to manage the Fund because of its successful investment history and strong commitment to working with national parks. Established in 1967 by an Act of Congress, NPF acts as a community foundation for national parks and their partners, among them, Friends of Voyageurs National Park.

Guided by the mission of Friends of Voyageurs National Park to sponsor outreach that supports natural, historical and educational activities available at Voyageurs National Park (VNP), and working in cooperation with the park staff in prioritizing projects, your gift to the Friends of Voyageurs National Park Fund will help to address critical needs of Voyageurs National Park.

Fund Management: An advisory board meets twice yearly to select projects to be funded and review the status of the investment. NPF manages the Friends of Voyageurs National Park Fund. The nine member advisory board includes the officers of the Friends of Voyageurs National Park and other members appointed by the officers.

Donations to the Friends of Voyageurs National Park Fund can be:

- **Undesignated** - your gift will be invested in the Friends of VNP Fund and income will be used for VNP projects
